Fire Prevention Week Oct. 6-12

Fire Prevention Week will be observed in Cameron during the week of October 6 to 12 with the local schools participating in the annual contests, according to Don Raddam, chairman of the Chamber Fire Prevention Committee.

Since the Chicago Fire of October 9 and 10, 1917, which wiped out the entire business section

and a large part of the residential properties of that city, Fire Prevention and protection have progressed from a rule of thumb method, an occasional practice, to the status of a science. Sound rules of fire safety are now well established and are available to all.

Fire prevention was emphasized annually as "Fire Prevention Day" for some thirty years before 1929. In that year, the President of the United States proclaimed "Fire Prevention Week," to include the date of October 9, the anniversary of the Chicago fire.

The fire prevention movement has been an active part in nearly every Chamber of Commerce in the United States under the leadership of the United States Chamber in Washington. Since 1922, the National Chamber has provided an organized program of leadership in promoting fire prevention and protection.

In observing Fire Prevention Week, Cameron, Texas, takes its place with other cities throughout the United States in carrying out a program which will result in a safer city in which to live.

Cameron students will view demonstrations and hear talks during the week from members of the Fire Prevention Committee and Chamber Firemen, Raddam said.

The Chamber by recommendation of the Fire Prevention Committee, will provide cash prizes for the contests which will be held in the Ada Henderson, Yoe High, St. Anthony's and OJT Schools.

Members of the sponsoring Chamber committee are Raddam, Gus Elley, Charles Zeigler, Johnny Anderson and Charles Jetter.

Investiture Service Held For Thirteen Local Girl Scouts

Thirteen girls made their promises to Girl Scouts last Thursday during an impressive Investiture Ceremony conducted by Mrs. Lester Williams.

The troop, known as Troop 311 of St. Anthony's School, is the first organized and invested since Cameron's general reorganization program this year. Mrs. Billie Ellis is the leader of the troop.

Girls participating in the ceremony and receiving their Girl Scout pins were Diane Bryant, Pam Mitchan, Connie Ellis, Ruth Riola, Judy Hollas, Carol Matula, Kathy Hollas, Kathy Koprowski, Beth Brock, Pat Hollas and Jane Zolt.

Recognized during the ceremony were Mrs. Ellis, Mrs. George Hollas, assistant leader; Mrs. Travis Anderson, neighborhood chairman; and Mrs. Louis Hollas, president of St. Monica's Ladies Society, troop sponsors.

Mrs. Williams, who is a member of the board of directors, Texas Colorado Lakes Council, Girl Scouts of America, said that with the return of Girl Scouting to Cameron approximately 100 girls will be participating in the program this year.

She said that six other troops are to be registered by late October. Cameron has been without Girl Scout troops for over a year.

PENNY GRAVES

BETTY ORR

OUTSTANDING 4-H'ers

West Squeaks By Yoe 12 - 7

The West Trojans came from behind to chalk up a 12-7 victory over the Cameron Yoemen Friday night at Yoe Stadium, before a capacity crowd of gridiron fans.

Friday night has been designated as "Mother's Night." Coach Kirk said. All mothers of the Yoemen squad will sit together during the game. Seats will be reserved for them in section B, rows 1-4. They will be introduced to the fans during halftime.

The Football Sweetheart has been selected and will be presented during halftime ceremonies by the student council.

With both teams out to better their 1-2 records, fans viewed a defensive ball game during the first quarter.

Cameron took the ball on the kickoff and drove to their own 31 yard line. On the third play from scrimmage the Trojans jarred the ball from the hands of a Yoemen back and took control on the Cameron 31 yard line.

West picked up two first downs, but lost control on a 4th down attempt with an incomplete pass. Both Yoemen and Trojan squadmen were unable to maintain possession.

Argument Ends In Stabbing Wednesday

Alonza Pace, a Ft. Hood Negro, was listed in serious condition following a stabbing at 12:31 a.m. Wednesday in which he was cut with a knife in the right side of the neck.

Police Chief Elvin Hoskins, said Annie Mae Boyd was being held in the city jail. She was charged in Judge Roy Griffith's City Court for drunkenness, affray and resisting arrest.

Hoskins said Pace was taken to Houston Memorial hospital and was transferred to the V A Hospital in Temple late Wednesday.

The stabbing occurred at a Negro hotel located on the corner of 2nd and Scott street in Cameron. Hoskins said the couple got into an argument and she stabbed him.

Night Patrolman, Bernie Miller, was the investigating officer.

Miss McDermott

Rites Held For Victim

Funeral services were held last week for Paula Kim McDermott, 15, who was killed in an auto-truck accident September 26, on US Highway 77 south of Cameron.

The Rev. Eugene Strickland and Dan Gibson officiated at services at the First Presbyterian Church. Burial was in the Marlow cemetery in Cameron.

The accident occurred about 9 p.m. Thursday about one-half mile south of Cameron.

Miss McDermott, the daughter of Dr. and Mrs. Lyle McDermott, was dead on arrival at St. Edwards hospital.

The driver of the truck, Ben Franklin of Lubbock, was taken to St. Edwards for emergency treatment and was released Monday. He is employed by the Earl Waldrip Trucking Company of Lubbock.

At the time of the accident he was enroute to Lubbock with a truck-trailer full of wooden pallets.

Patrolman Durwood Kennedy, investigating officer, said Miss McDermott was driving home alone from a football game in the family station wagon. He said she apparently thought she was at home and was going to make a left-hand turn into her driveway. The car and truck collided head-on about 100 yards from the McDermott driveway. Both vehicles were totally demolished.

Her father, a veterinarian, was checking on some cattle at the time of the accident and was one of the first persons on the scene.

She was pinned in her car for about 20 minutes after the impact. Patrolman Kennedy said the highway was blocked for about 15

SPECIAL VENIRE
SUMMONED FOR
12 - MAN JURY

Charles Huff, Legislative Director of the Texas Farm Bureau, will be guest speaker at the Milam County Farm Bureau's annual membership Kick Off Meeting.

The dinner meeting will be held at 6 p.m. on Tuesday, October 8, in the Simon-George Hall in Cameron.

A. T. Swanzy, first vice president and membership chairman, said about 50 workers were expected to attend at which time they will receive work kits and prospect cards.

Membership quota for the Farm Bureau during the coming fiscal year is set at 1146. Mr. Swanzy noted that any member, whose membership is due before October 31, may mail their dues to the Cameron Farm Bureau office.

A native of Grapeland and now of Austin, Huff joined the staff of the TFB in 1959. He has the responsibility of coordinating the TFB's Legislative activities in the State Capitol.

He was a guest speaker at the Farm Bureau Convention held in Cameron last spring.

Twenty-one employees have been added to Aluminum Company of America's Rockdale Works payroll in the past several weeks.

According to Rockdale Works Manager J. E. Yates, the additional manpower was drawn from towns through this Central Texas area. Yates pointed out that increased activity in the Anode Plant and Aluminum Plant, the need for additional craft help, and vacation replacements created the demand for the additional manpower.

B I G Official Meets Here With Ag Leaders

John Box, coordinator of the Operation BIG program, met with local agriculture agency officials here on Thursday morning to discuss plans for furthering the program in this area.

Box recently was named BIG coordinator to succeed Jack Barton, who resigned. He is an agronomist and soil fertility expert and has been with the Extension Service for a number of years.

The meeting, held in County Agent J. D. Moore's office, was attended by Alva Sanders, ASCS, Wayne Mann, Soil Conservation Service, Charles McGilvray, FFA, Robert Clark, Bryan Production Credit Association, Charles Henson, Assistant County Agent, and Moore.

Box urged the planting of more small grains, oats, wheat and maize both for soil building purposes and for grazing. Also he suggested courses in pasture improvement, livestock feeding, and in the use of credit by farmers and ranchers.

He reported the BIG program was doing well in some blackland areas, not very well in others, but was gaining momentum.

He commended the Herald's recent agriculture and soil conservation section and believed it would aid in publicizing the program.

Services Held For Wyatt Miller

Funeral services were held last week for Wyatt Miller, 74, who died in a local hospital September 25.

Miller was born March 27, 1889 in Cameron. He was employed at McLane Company as a watchman.

Services were conducted by Rev. Eugene Strickland at the Burial House funeral home. Burial was in Oak Hill Cemetery.

Survivors include three sons, George Miller and B. L. Miller of Cameron and Joe E. Miller of Houston; sister, Mrs. Ollie Walker of Hempstead, 5 grandchildren and 2 great grand-children.

Palbearers were Johnny Etheridge, Dutch Kirk, Joe Robinson, John S. Batte, James Brock and Carlos Hanby.

GOP Senatorial Hopeful Visits

George Bush, Republican candidate for U. S. Senator, made a two-hour stop in Cameron last Friday for a get-acquainted meeting and luncheon with a group of Milam County GOP leaders.

Bush was accompanied by a Waco oilman, William I. Lee, and they were enroute to Waco in Lee's private light plane. They were met at the Cameron airport by GOP County Chairman Dr. E. O. Smith Jr. and a group of local party members.

He described himself as a Gold-water conservative.

At 39, Bush is president of Zapata Off-Shore Company with headquarters in Houston. The concern has expanded its operations its rigs are drilling not only in the Gulf of Mexico but off the coasts of Borneo, Kuwait and Trinidad.

Services Held In Cameron For Minnie Ingram

Funeral services for Mrs. Minnie G. Ingram, 78, who died at her home on East 7th Street Sunday morning following a lengthy illness, were held Monday at 2 p.m. at Green's Funeral Home, Rev. J. A. Harvey, pastor of the Trinity Baptist Church officiated with burial in the Clover Hill cemetery in Lott.

Mrs. Ingram lived in Falls County until the past few years when she moved to Cameron.

She is survived by four sons, Riley Ingram of Austin, Burley Ingram of Corpus Christi, Garlen Ingram and W. B. Ingram both of Cameron; four daughters, Mrs. Gilford Shuffield, Mrs. Wilfred Shuffield and Miss Letha Ingram all of Cameron and Mrs. John Kerr of Temple; two brothers, Willie Cooper of Freeport and Robert Cooper of Davis, Okla., 14 grandchildren and 9 great grandchildren.

Corbin Purchases

Robinson Station

W. A. L. Robinson, operator of Robinson Service Station for 34 years, has announced sale of his business to Monroe Corbin, station manager for many years.

Corbin will continue to operate the station under the Texaco franchise and handle B. F. Goodrich tire products, he reported.

Robinson said he had no immediate plans, but was going to continue to look after his farming operation. He will be in the Corbin station for several months to assist in the changeover.

Robinson extended his appreciation for the support given him during 34 years in business at the same location.

al manpower was drawn from towns through this Central Texas area. Yates pointed out that increased activity in the Anode Plant and Aluminum Plant, the need for additional craft help, and vacation replacements created the demand for the additional manpower.

New employees who joined the Rockdale Works labor force in the past several weeks are: from Cameron, William G. Gelfner and Anton Kopriva; Thorndale, Leon Barron and Melvin Love; Harrold, Jimmy Ross; Lexington, Harold Simpson.

Rockdale, Lloyd Hall, Arnold Pratzak, William Korenek, Delbert Yarbrough and Dan Hromek; Caldwell, Jerry Kacer; Smithville, Vernon Tanecker; Coupland, Ben Faltesek.

Lott, Milton Frei, Horest Weaver, Tom Pevehouse; Milano, Charles Hairston; Giddings, Horace Kastrup; and Taylor, William Kostroun.

Local Businessmen Attend Industrial Development Meet

Four Cameron businessmen exemplified Cameron's desire and spirit for industrial growth at the Industrial Development Convention at Texas A & M College in College Station on September 26, according to Barbara Smithman, Chamber of Commerce manager.

During the seminar the group heard several speakers explain the what, why and how process needed in order to get things done in the way of industrial development.

The group also met with the guest speakers following the meeting getting special pointers on ideas for Cameron growth.

Representing Cameron were Chamber officers and directors: John Schigut, first vice president; Forrest Sapp, second vice president; Alton Fuchs, member of the Industrial Board and Eugene Smithman, publicity committee.

MINOR WRECK DAMAGE CARS

One city collision Saturday resulted in a minor automobile damage but there were no injuries, according to Police Chief Elvin Hoskins.

The accident Saturday at 4:20 p.m. resulted in the issuing of a traffic violation for following too close, causing the accident.

Miss Gladys Brantley, 20, was driving a 1966 Buick traveling north on North Travis. Hoskins said she attempted to make a left turn into her driveway when her car was struck in the rear by W. B. Ingram, 45, of 1603 N. Travis, also traveling north.

Ingram was driving a 1958 Chevrolet which received about \$150.00 in damages. Miss Brantley's car received about \$75. worth of damages.

Selection of a 12 - man jury will begin Monday, in Milam District Courtroom, to hear the murder trial of Oscar F. Cook, 23, of Rogers.

Cook is charged with shooting to death Mrs. Dan Crow in her home in Davilla on May 14.

District Judge John Patterson, of Marlin, who serves the 32nd District, will try the case. He has scheduled Monday's court session to begin at 9 a.m. when selection of the jury will get underway, courthouse officials said.

Court-appointed attorney, Charles C. Smith, Jr., will represent Cook during the murder trial.

Dist. Court Attorney, John Henderson, Jr. will prosecute the case. He will be assisted by Jack Prescott, former Milam County Attorney, now of Temple, who handled the preliminary investigation.

A special venire has been summoned to be examined by the prosecution and defense attorneys, officials said.

The defendant is charged with murdering his mother-in-law, Mrs. Dan Crow, in a shooting at the Dan Crow home in Davilla. Mrs. Crow died from gunshot wounds in the chest.

Cook was indicted by a Milam Grand Jury May 21 charged with murder with malice. He was also indicted on three counts of assault with intent to murder.

During the shooting his former wife, Mrs. Velma Cook, 23, her brother, Danny Crow, 20 and sister, Mary Lou Crow, 19, suffered chest wounds. All recovered following treatment in a Temple hospital.

Cook was in a local hospital several days following the shooting with what he described at the time of the investigation as being a self-inflicted wound, also in the chest.

Following the shooting Cook made a long statement to Milam County Sheriff Carl Black and former County Attorney, Prescott, but did not sign it.

Sheriff Black said he took into his possession a .22 - Cal., six shot revolver used in the shooting spree, and 12 empty shells from the gun. Black said that Cook borrowed the gun from his cousin, telling him that he (Cook) was going to go on hunting.

Cook and his wife were divorced April 30. After a two-week stay in the Milam County Jail, he tried to get Mrs. Cook to come back to him, the day he got out of jail and the same night the shooting occurred.

It was first thought that Cook was shot by Danny Crow with a 410 gauge shotgun. But investigating officers found a blast below the refrigerator in the Crow house where the wayward shot hit, Black said.

\$ DAY MEANS

SHOPPERS SAVE

October Dollar Day brings Milam shoppers many bargains in Cameron stores Monday.

Specials this Dollar Day are featured in these Cameron stores: Ben Franklin Store, Goldfarb's, Lewis - Chili Shoe Store, J. C. Penney's, and Schigut's.

Buyers will find savings of all kinds in clothing, household goods, specialties and gift items in these stores Monday.

Yoe vs. LaGrange

Cameron's fighting Yoemen play host to the LaGrange Leopards tomorrow night at Yoe High Stadium seeking their second 1963 gridiron victory.

Last week the Yoemen were edged by a powerful West team who pulled the winning score out of the bag in the third quarter.

Yoemen Coach Kirk said the Friday night tilt should be of equal hard-fighting action.

"The LaGrange squad plays real tough ball and they have lots of good team speed," he said. The Leopards boast a 3-1 record. Last week they were defeated by Taylor with a 23-0 score.

Coach Kirk said scout reports

showed Taylor played a real strong game, so last week's score is no indication of what is to be expected from a powerful LaGrange squad.

Mike Perrin, with a 74 per cent blocking average, was selected as Lineman of the Week by Cameron coaches.

Back of the Week is Mike McDermott with the highest grade average.

Robert Moraw, with 13 tackles, was named outstanding defensive player.

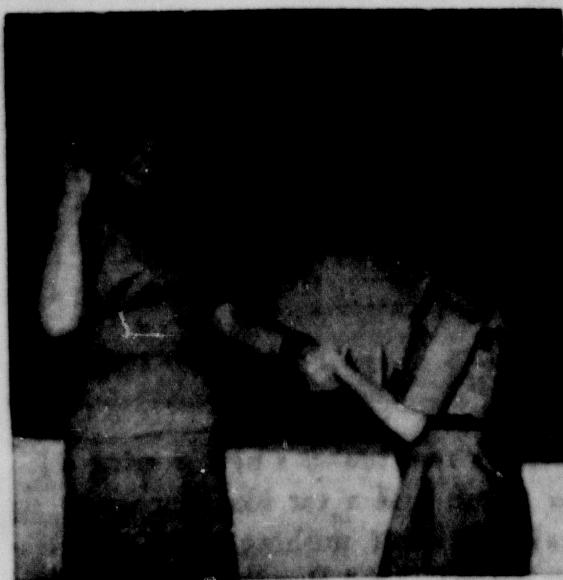

The Cameron High B-Team will travel to Rosebud tonight to meet the Rosebud team in a game that will begin at 7:30 p.m.

Fund Drive Needs \$520

The goal for the Salvation Army fund drive is still short of \$2,000 needed this year. To date \$1,480.50 has been obtained from donors, according to Forrest Sapp.

"We would like to urge all those who have not contributed to do so as soon as possible so that we can complete our drive," Sapp said.

Officials said that all workers have not yet completed their cards and turned in their reports. When they are received it is hoped that the goal will be reached.

Connie Ellis, daughter of Mr. and Mrs. Billie Ellis, was one of 13 Girl Scouts who were invested into the new scout Troop 311 by Mrs. Lester Williams in ceremonies last week.

1964 PONTIAC CATALINA — This four-door sedan is an example of the new Pontiacs on display at Woodum Auto Sales. This Catalina is completely restyled while retaining a strong Pontiac identity. In addition to new styling, colors and interiors, the 1964 Pontiacs feature a wide range of high-performance V-8 engines, improved suspension system and a complete group of accessories for added safety and comfort.

Pontiac Features New '64 Styling

Pontiac Motor Division's regular series lineup for 1964 has been completely restyled, yet retains a strong and impressive Pontiac identity.

The Catalina, Star Chief and Bonneville models appear longer, lower and wider without any significant changes in exterior dimensions.

New Pontiacs are on display today at Woodum Auto Sales.

Continuing a highly successful formula that combines rich styling simplicity with outstanding performance, the 1964 Pontiacs are more graceful, distinctive and appealing than ever before.

Catalina models and the Grand

Prix sports coupe have a 120-inch wheelbase while the Star Chief and Bonneville models have a 123-inch wheelbase. All station wagon models have a 119-inch wheelbase.

All 1964 Pontiacs are one inch longer overall. The Catalina and Grand Prix measure 213 inches while the Star Chief and Bonneville series are 220 inches. Station wagons are 213.8 inches long.

MODEL LINEUP

The Catalina, Pontiac's volume series, is available in seven models: two and four-door sedans, two and four-door hardtops, six and nine-passenger Safari station wagons and a convertible.

A four-door hardtop and a four-door sedan are offered in the Star Chief series.

The luxurious Bonneville is available in four models — two and four-door hardtops, a six-passenger station wagon and a convertible.

Pontiac's prestige sports coupe, the Grand Prix, has been restyled and again will be available as Pontiac's entry in the luxury car field.

"Fresh exterior styling featuring Pontiac's exclusive divided grille, vertical twin headlamps, moderate use of chrome trim and elegant interior appointments, elevate our 1964 cars to new levels of customer appeal," said E. M. Estes, General Motors vice president and Pontiac general manager, in announcing his division's new models.

NEW ADVANCES

"Important advances and refinements in body construction and engine design will enable Pontiac to strengthen its third-place sales

position in the industry," Estes stated.

The 1964 Pontiacs retain a positive family identity that is recognized instantly when viewed from any angle. Highlighting the "Pontiac look" are the vertically positioned twin headlamps and an expansive hood that curves gently down over a divided grille, another Pontiac trademark that is noted for its simplicity and elegance.

Body sculpturing, referred to by stylists as the venturi shape, has become more pronounced in 1964. Now a Pontiac styling tradition, this design sweeps the body sides into flared rear quarter panels to visually lower the roof and belt lines.

Placement of molding and finely crafted ornamentation the venturi motif. A rakish new grille and sculptured bumpers give the 1964 models a more massive wider appearance with unmistakable Pontiac identity.

Enhancing the low profile and wide track theme are the massive but graceful front and rear bumpers that blend smoothly with the body work.

Pontiac's traditionally durable and luxurious interiors have new colors and patterns in the latest fabrics of nylon, vinyl and leather. To satisfy taste, a full range of color combinations is available and nylon blend loop pile carpet floor covering is found in every model.

The two Bonneville hardtop models offer a wide choice of interiors in expanded Morrokide or richly-textured cloth combined with expanded Morrokide.

Highway Commission Approves \$100,000 Milam County Project

The Texas Highway Commission has approved the expenditure of \$100,000.00 for highway safety and betterment in Milam County during 1964, District Highway Engineer C. B. Thames of Bryan announced.

He said a total of 6.1 highway miles in the county will be involved.

Rogers Cafetorium Accepted By Board

The new cafetorium of the Rogers Public School opened for business Thursday Sept. 26.

Mrs. Willie Lynch manager stated that over 400 students were served that day. The attractive masonry building was built by the Cameron Company of Rogers, and turned over to the School Board Tuesday night after their inspection and acceptance.

The building is air-conditioned and centrally heated. The dining area has a stage with accompanying dressing rooms, and will be used for school assemblies, plays, PTA meetings, and various other smaller meetings.

Mrs. Lynch will be assisted by Mrs. Willie Keith and Mrs. Jeff J. McQueen in the kitchen. The kitchen is modern with first class dishwashing equipment, a modern gas range, a vegetable sink, a pots and pans sink, a 12' x 10' walk-in refrigerator and an upright refrigerator, milk cooler, freezer, slicers, peelers, stack ovens, hoods over cooking and dishwashing areas, and many other features.

1963 and completed basic training at Fort Polk, La. He is a 1959 graduate of C. H. Yoe High School and a 1963 graduate of the University of Texas in Austin.

Joe A. Zarosky, Route 1, entered the Army in June 1963 and completed basic training at Fort Polk, La. He is a 1959 graduate of C. H. Yoe High School and attended Trinity University in San Antonio.

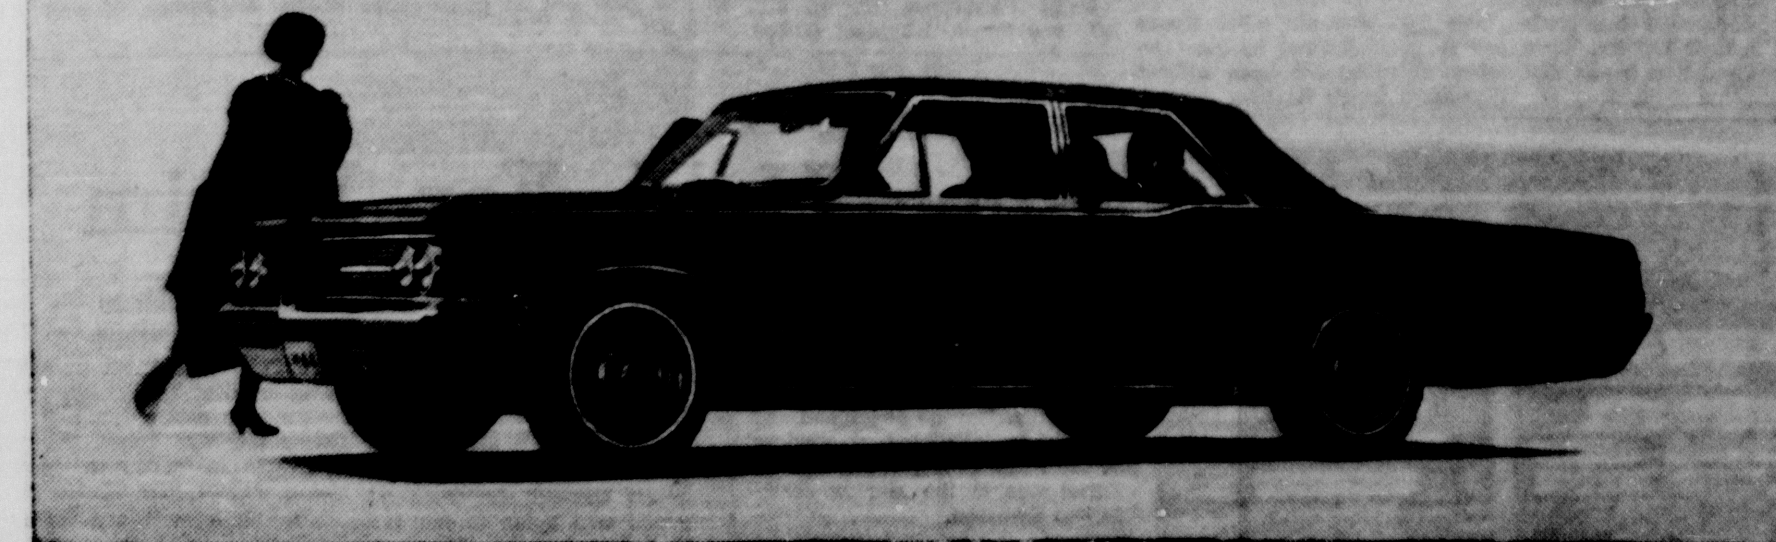

Success car, '64 edition

The car that answers the question, "After their '63 model, what in the world will Pontiac do for '64?"

It wasn't easy, topping our super-successful '63. But we did it, with trim new styling • handsome new interiors • a smoother, quieter ride • Wide-Track

stability • 389-cu. in. Trophy V-8 power in every model • Isn't this what other cars wish they looked and acted like and don't? '64 Pontiac Pontiac

plus a whole new kind of Pontiac.

If you've been buying the same low-priced car time after time, get ready to break the habit.

What's new with Tempest for '64? Practically everything. New 215-cubic inch in-line 6 • longer, roomier body • wider Wide-Track • new smooth-riding sus-

pension • new brakes • new steering • new frame • If a car like this won't break that habit, nothing will. Check your dealer! '64 Pontiac Tempest

Olds To Present Economy Options

With the availability of a V-6 engine in the F-85, and with the introduction of the new Jetstar 88, customers will be able to buy an Oldsmobile for less in both the low price and medium price fields, it was announced today by Oldsmobile's general manager and a vice president of General Motors, Jack F. Wolfram.

New Oldsmobiles go on display at Mitchan Motors Friday. "And too," Wolfram said, "for the sixth consecutive year, list prices for 1964 Dynamic 88's, Super 88's, Ninety-Eight's and Starfires remain constant."

"We have been able to hold our price levels," he said, "despite the many added product values built into every 1964 Oldsmobile in interior and exterior styling, performance, comfort and reliability."

ADDED VALUE
"An excellent example of added product value," Wolfram continued, "is the totally new 1964 F-85 with slightly lower prices. It is a somewhat bigger car for more utility, more leg-room, head-room and entrance room. With the V-6 or the new high performing Jetfire Rocket V-8 engine, it is more car for the money than ever before."

He said that Oldsmobile's 1964 list prices range from \$2126 for the F-85 Club Coupe (equipped with the V-6 engine) to \$4340 for the Starfire Convertible.

Wolfram also announced list prices for the new models Oldsmobile is introducing this year. The Cutlass Holiday Coupe, the top sports model in the F-85 line, lists at \$2534. The new medium-priced Jetstar, I with bucket seats, con-

sole and Starfire engine as standard equipment, carries a list price of \$3290.
"Prices," Wolfram said, "begin at \$2664 for the Celebrity Sedan in the new Jetstar 88 series, lower-priced companion to the Dynamic 88 and Super 88," he continued, "will also find the price of some major equipment items, such as the automatic transmission and power steering to be lower than on other full-size Oldsmobiles."

PRICE OPTION

He said Oldsmobile's newly-developed Jetaway transmission with variable vane torque converter is listed at \$195 as a factory-installed option on both the Jetstar 88 and F-85 models equipped with the V-8 engine. The Jetaway transmission designed for use in the F-85 with the V-6 engine carries a list price of \$185.

Wolfram also reported that the much-improved, newly-designed fully integrated air conditioning system for the 1964 F-85 is priced at \$325 list.

Oldsmobile's popular Tilt-Away steering wheel, which gives the driver a choice of seven different steering column positions, is available as an extra cost option for the first time on all F-85 models. Its list price is \$40.

Cooke, Luecke

On Press Panel

Eighteen members of the Texas Press Association's program planning committee will meet Friday in Dallas to outline the TPA's Mid-Winter Meeting.

Frank M. Luecke, editor of The Cameron Herald, will be among the members meeting at a committee session in the Baker Hotel. Bill Cooke, publisher of the Rockdale Reporter, is also on the committee.

Committee chairman is Phil McMullen, Garland Daily News publisher; vice chairman is Bud Buckner, San Marcos Record.

Bryan Firm Awarded

Milam Road Contract

A contract for 11.47 miles of construction on FM 485 and 908 in Milam County has been awarded to a Bryan firm, it was announced in Austin this week by the State Highway Commission.

R. T. Clift submitted the low bid of \$111,625 on the project. Base and surface on FM 485 from US 190 at Buckholts to Yarrington; on FM 908 from Rockdale northwest 5.6 miles is expected to take 75 working days, according to C. B. Thames District Highway Engineer at Bryan.

Carol D. Zeigler, Resident Engineer at Hearne will be in active charge of the project while it is under construction.

Rats . . .

Billion Dollar Pests

Rats are more than filthy, distasteful pests, says the U. S. Department of Agriculture. These rodents annually cost Americans over a billion dollars in the food they eat and the property they destroy, not to mention the misery and death they cause each year from rat-borne diseases.

Few farm products are safe from their attack. Rats spoil grain, fish, fruit, meat, milk products and vegetables, and kill and injure poultry and livestock. Even wildlife is not safe from them. They cause as much damage to property as to products by their gnawing and burrowing says the Department. Grain sacks, wooden containers, electrical wiring and building foundations are harmed by rats in their quest for food.

The first step in ridding the farm or home of rats and mice is destroying the places where they

live by cleaning up old trash piles and rat proofing buildings. Killing the rats by the use of poison bait is the next step in the fight against them, says the USDA. Poisoning is the most effective method of killing rats but care should be used to keep it away from children or animals. The anticoagulants are the most practical bait type poisons and calcium cyanide gas is effective in the rodent's burrows. The Department warns that care should be exercised in the use of these gases.

Trapping is another method of controlling rats that may be desirable in homes where poisoned rats might cause an odor problem. However, the use of traps is only practical where there are a few rats or a follow-up to poisoning.

The USDA adds small terriers, Airedales, cats and small bore rifles to the list of rat eradicators and recommends that neighborhood campaigns be organized to eliminate rats and the tremendous losses they incur.

Cotton Harvesting

Resumed Last Week

In Brazos River

The harvesting of cotton was resumed in the Brazos River Bottom last week, according to J. B. Russ, Officer in Charge of the USDA — Agricultural Marketing Service — Cotton Division Classifying Office in Austin. Rains from the previous week had held harvesting to a virtual standstill at that time.

Grades dropped some last week, with 46 per cent being classed in the White Grade category; 36 per cent — Light Spotted; 2 per cent — Spotted; 12 per cent — Gray; and 2 per cent — Below Grade cotton. Strict Low Middling Light Spotted and Low Middling were the predominant grades with 21 per cent each, of the total being classed as such.

The staple also dropped slightly with 16 per cent being classed 31-32 inches or shorter; 31 per cent — 1 inch; 36 per cent — 1-1.32 inches; and 15 per cent — 1-1.16 inches or longer.

The market continued fairly active with most of the demand being for Light Spotted and lower grade white cotton, which is bringing an average of 50 points above the CCC loan support price.

The Austin Office classed 15, 207 samples last week, which brings the seasons total to 445,653 at the close of business Friday, September 27. The week started with a classing staff of 10 classifiers, but was down to 4 by the end of the week. Should receipts warrant, additional classifiers will be added to the staff.

4-H CLUB Notes

By Charles W. Henson
Ass't Milam County Agent
Betty Margaret Orr, daughter of Mr. and Mrs. Robert C. Orr, of Route 2, Rockdale, is the county Record Book winner in Junior Clothing. She has been in 4-H Club for three years. During these three years, Betty has had projects in Safety, Food Preparation, Food Preservation and Clothing. Her Clothing project has taught her how to mend clothes, sew on buttons, and hem skirts and dresses.

A summary of accomplishments: CLOTHING — First place, Blue ribbon and Sterling Silver tumbler, Junior Division, County Dress Revue, 1963; Blue ribbon Junior Division, District Dress Revue, 1963; First place Junior Clothing Record Book, County, 1963.

SAFETY — County medal, 1962. RECREATION — Share The Fun County Contest 1962, Red Ribbon; County Camp, three Blue ribbons and one Red ribbon.

LEADERSHIP — Local club officers, Secretary and Vice President; local club committees, Recreation, Float for Parade (three times) and Safety Council Committee.

Betty says, "The 4-H Club is a place where I can go to have fun and to learn useful things. I really like to participate in county activities and I hope that in the coming years I can be of help to other 4-H Club members."

FEWER CHICKENS

The number of chickens raised in 1963 is expected to be less than in 1962 and the lowest since records began in 1909, says the USDA. The Department also noted that prices paid by producers for hatching eggs for feed were both higher from November 1962 to the present than for this period a year earlier.

LIGHTNING PROTECTION

Annually lightning causes about \$30 million damage and hundreds of deaths. Correct lightning rod systems, with proper interconnection of metal objects, can protect buildings and other occupants.

County Agents Notes

Increase In Beef Cattle Forecast

By J. D. Moore
Milam County Agent

The growing demand for beef in the U. S. will require that the number of beef cattle be increased at the rate of 5 per cent annually for the next 7 years.

The U. S. D. A. estimates that we will have to have 14 million additional acres of grazing annually to produce this number of cattle.

Registered Beef herds and Dairy cattle to be retested for the purpose of re-certifying Milam County's T. B. status in these cattle.

Dr. Sorensen, U. S. D. A. Vet., was in Milam county last week

and located most of the herds on the map for contact and testing purposes.

ARMY WORMS in oats, rye and other small grains are causing damage according to a worm report issued last week. These worms are easily controlled by spraying with a 2-1 mixture of Toxaphene-DDT at the rate of 1 quart per acre.

Dusts are also effective. Other insecticides are available from your dealers.

BACKACHE & NERVE TENSION

SECONDARY TO KIDNEY IRRITATION

After 25 common kidney or bladder irritations affect twice as many women as men and may make you tense and nervous from too frequent, burning or itching urination both day and night. Secondly, you may lose sleep and suffer from headaches, backache and feel old, tired, depressed. In such irritation, CYSTEX usually brings fast, relaxing comfort by eradicating irritating germs in strong, acid urine and by analgesic pain relief. Get CYSTEX at drugstore. Feel better fast.

To Mr. and Mrs. John Lawrence of Houston, a girl, Jennifer Lynn, 8 pounds 3 ounces, September 23 at 12:25 a.m. at St. Edward Hospital. Grandparents are Mr. and Mrs. Earl Curtis and Mrs. Hayden Lawrence all of Cameron.

To Mr. and Mrs. John Pevehouse of Maysfield, twin boys, David and Darryl, weighing 6 pounds 4 ounces and 6 pounds 2 ounces, September 24 at 8:12 and 8:32 a.m. at St. Edward Hospital.

Buckholts Lashes Mullins 82-38

With a score that sounds more like a one-sided basketball game the Mullin Bulldogs defeated the Buckholts Badgers 82-38 last Friday night.

Mullin, who lost one starter from last years regional championship team, scored almost at will during the game. By the same token, their defense was erratic in stopping the Badger offense. This resulted in a 2 1/2 hour game during which one hundred and twenty points were scored.

If left half-back John Reeves of Mullin had stayed at home this probably would not have happened. The one hundred and eighty pound speedster scored ten touchdowns and kicked two P.A.T. conversions to a mass a total of sixty four points for the night.

Friday night Buckholts will travel to Milano for their second meeting of the season. In the first game Milano defeated Buckholts 19-12.

Probable starting lineup for Buckholts will be:
LE Dickey Jones
C Johnny Mekuch
RE Larry Coufal or Larry Kudlacek
QB Don Glaser
LH Lawrence Hanke
RH Calvin Shenkir

Yoe Yoe's Beat Thorndale Squad

The Cameron Yoe Yoe's held the Thorndale Junior High football squad scoreless Tuesday night defeating them 20-0 in a game played at Thorndale Stadium.

Wayne Kirk was the top scoring back for Cameron, racking up 12 points in two touchdown drives. The first score was made straight up the middle from 15 yds. out. Kirk scored again when he went off tackle from the 3 yd. line.

Cameron's other score came on a 10 yd. drive around left end by James Dohnalik.

One conversion was made on a pass from Johnnie McLerran to Roy Thompson good for two points.

Personal

Mrs. William Brown of Arlington, Virginia is visiting in Cameron and is a houseguest of Mrs. Graham Gillis.

Mr. and Mrs. John Henderson Sr. left Tuesday for Washington, D.C. where they will visit their daughter, Miss Jane Henderson. A side trip through the Eastern States is also planned.

Mr. and Mrs. Dale Smith were guests of Mr. and Mrs. H.L. Williams in Eagle Lake over the weekend and joined Mr. and Mrs. Alan Smith and Mr. and Mrs. Hugh Smith of Cameron in Houston Sunday.

Mr. and Mrs. Raymond McLeod and children, Michael, Gregg, Lin-

CLUB NOTES

The Civic Garden Club has selected "Fundamentals of Flower Arranging" for its comprehensive study this year under the leadership of their newly elected president, Mrs. Leo Fuchs.

A dynamic leader, Mrs. Fuchs challenged Civic Garden Club members with the reminder that in her 13 years of membership in the club, she had missed only 1 meeting - and this combined with an active role in church work, as a homemaker and business woman - is an enviable record.

CALENDAR:
The History Club will meet Tuesday, October 8 at 3:30 p.m. in

da and Christopher of Dallas spent the weekend at the home of his parents, Mr. and Mrs. R. G. McLeod.

the home of Mrs. J. E. Flinn with Mrs. James Watson in charge of the program. Guest speaker, Miss Ada Margaret Smith, will present the program on "Archives - Safety Deposit Box of Texas."

The Fleur De Lis Garden Club

will meet October 8 at 7:30 p.m. at the home of Mrs. Bentley Har- use for a dried material work shop. Mrs. John Schigut Sr. of Rosebud will direct the workshop which has been titled "Collections for Keeps".

MANY THANKS!

Cameron and Milam County Residents for your wonderful support through our 34 years in business here.

W. A. L. Robinson Station has been sold to Mr. Monroe Corbin, the long time manager and experienced service station employee of W. A. L. Robinson Station. We urge our friends and customers to continue their fine support of Mr. Corbin, who will continue to provide the same good service our customers deserve.

I will be in Mr. Corbin's Station at 115 N. Fannin for the next few months, assisting him in making the transfer.

We invite you to visit the Monroe Corbin Service Station for all your automotive service needs.

'64 Buick Boasts Sleek, Low Lines

The new 1964 Buick will be on display today at Woodum Auto Sales, 101 East 4th Street, in Cameron.

R. J. Woodum invites area residents to see the new lines being offered in the Buick field this year.

The look of the Buick line is keynoted by their own distinctively-styled grille. Heavy die-cast chrome bars span the distance between the headlights with the elegant Buick tri-shield in the center as the finishing touch.

A sleek low body blends to the back with a new rear fender skirt to accentuate the brilliance of the Buick. A sweep of bright metal along the lower body gives the car a smooth look.

Taillights continue in the long rectangular shape, but are newly styled, with lights either set into the back fender skirts or on the rear.

Footloose owners will find the cavernous trunk will hold a mighty load.

Being offered for the first time is "Formula Five", the chrome-plated steel wheels which are optional.

Buick stylists have selected a choice of interior colors and fabrics with the help of women decorators. Fabrics run from rich

brocade, with a quality expected to be found only in the finest furniture, to vinyl as soft as real leather.

Many options and accessories can be selected for the various Buick models. Power steering, power windows, power brakes and power seats give the driver a feeling of luxury. Buick's air conditioner cools and filters air to give a dust-free, pollen-free driving comfort.

ing comfort.

Also advantageous is the tilt steering wheel which can be flipped up and out of the way to make getting in and out of the car easier.

Hi-fidelity radios, seat belts, remote control mirror, and Electro-cruise are specials in the Buick field. With the Electro-cruise a desired maximum speed can be set to control the speedometer and the speed is maintained electrically.

A number of engine transmission options is available, with performance and economy to suit almost any desire or budget.

Everybody out of the rut ...the '64 Buicks are here!

Our happiest problem for '64 was: how to beat a winner? According to thousands of owners, the 1963 models just about had it made in all departments. But—when your name is Buick—you just don't rest on your laurels. You keep pushing to make a great car greater.

So... the '64 Buicks are new—but new. New

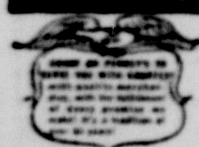

engines, V-6 or V-8 (you'll like their new gas economy), new, smoother, extra-cost option, Super Turbine Transmissions (and who, but Buick, would build in an altitude compensator?). Youngest looking Fisher Bodies in town! Visit a showroom, sit in any one of the new Buicks, and practice this short easy line: "My Buick." Sounds good, doesn't it?

...above all, they're BUICKS.

Construction Starts Up...

Construction continues at brodening pace in Cameron as at least eight new homes are underway, and the fertilizer plant foundation, the women's specialty shop, and plans for an enlarged variety store and other projects are adding to the building picture.

This is a sign of a quickening of the area economy, reflecting bright anticipation for the Cameron - Milam area as well current reaction to the better-than-expected '63 crops.

Many times it has been said there is strength in diversity. And Camron continues to strengthen its stand by improvements in home, industrial and business.

THE '64 CADILLAC — The horizontal bars of the grille carry around the front fender over the popular cornering light. All Cadillac models offer the new high performance 429-cubic-inch

engine. The de Ville models, Fleetwood Sixty Special sedan and Eldorado convertible introduce the new Turbo Hydra-Matic transmission. New models are on display at Brazos Auto Sales, Hearne.

Dateline Austin

Special Session In Near Future

By Vern Sanford
Texas Press Association

Austin, Texas — Gov. John Connally spiked increasing rumors of a "near future" special legislative session on congressional redistricting and made clear that he plans to await the decision of a federal court on this touchy issue.

In a special - called press conference, the Governor also emphasized his support for poll tax repeal. He said "chaos" will result at the polls if the state constitutional amendment is rejected and the Federal amendment to ban the poll tax requirement for voting in presidential and congressional elections is ratified.

Connally was in Washington this week to discuss U. S. financing of the screwworm eradication program, oil imports, forest lands around Toledo Bend Dam, the Jefferson County seawall project, and possibility of a national park in the Guadalupe Mountain Peak area.

He said that President Kennedy may come to Texas on or about November 21-22.

Connally indicated no surprise at a recent statewide Belden poll which showed that 61 per cent of the voters interviewed approved of the way he is running his office. That's an increase of seven per cent since May. Survey revealed that Mexican - American, Negro and labor representatives liked the Governor by about the

same percentage as other voters.

REDISTRICTING SUIT HEARD. A federal court took under advisement a Republican group's suit for Texas congressional reapportionment. Suit alleges discrimination against big cities in present representation.

Atty. Gen Waggoner Carr argued that the U. S. Supreme Court has furnished the Legislature no real guidelines for carving out new districts.

Rep. Menton Murray of Harlingen, chairman of the House Committee on Congressional and Legislative Districts, testified that this was a key factor in the Legislature's failure to re - district this year.

AWAIT FEDERAL ACTION. Carr told newsmen he plans to take speedy action to enforce the Texas Communist registration law after the federal government winds up its present proceedings against John W. Stanford Jr. of San Antonio.

LAW ENFORCEMENT CONFERENCE. Hundreds of local prosecutors, sheriffs, judges and policemen met here for the 13th annual attorney general's law enforcement conference.

Speakers included Carr; Dist. Atty. Alton R. Griffin, 72nd judicial district; Gaines Co. Judge Charles E. Lawrence; Dawson Co. Sheriff Henry C. Mayfield; Washington Atty. Gen John J. O'Connell; Midland Co. Atty. Harrell Moore; Harris Co. D. A. Frank Briscoe; Rannels Co. Judge W. H. Rampey; Gray Co. Sheriff R. H. (Rufe) Jordan; State Atty. Leon Douglas of Vernon; Dist. Atty. Bill W. Waters of Pampa; State Sen. Ralph Hall of Rockwall, Assistant Atty. Gen. J. C. Davis; and Federal Judge John R. Brown of Houston.

TRIBUTE TO GARRISON. Col. Homer Garrison Jr., received a surprise tribute on his 25th anniversary as director of the Texas Department of Public Safety.

Stanford refused to register under either State or Federal Communist control laws. Recently he wrote President Kennedy: "The government has no business telling me what my politics should be."

U. S. Subversive Activities Control Board held lengthy hearings on alleged Communist Stanford's activities at the request of U. S. Attorney Gen. Robert Kennedy.

U. S. Subversive Activities Control Board held lengthy hearings on alleged Communist Stanford's activities at the request of U. S. Attorney Gen. Robert Kennedy.

DO IT BETTER Electrically!

HEAT WATER

flamelessly!

"Keep Junior away from the water heater? No need to, Jane. It's as safe as a refrigerator!"

Safety is just one of the features you'll appreciate in a flameless electric water heater. You'll like, too, the fact that it can be located almost anywhere in your home because it requires no unsightly vent pipes. Most important, you'll appreciate its efficiency and economy of operation with the special low electric water heating rate.

Cadillac Presents 11 Models In '64

New standards of performance, comfort and convenience are coupled with unmistakable Cadillac styling in the 11 models that make up the 1964 line up.

The performance gains results from a new engine and a new transmission, while the comfort and convenience story for 1964 is highlighted by the first fully automatic year-around conditioning system ever offered in an automobile.

Herold G. Warner, general manager of Cadillac and vice president of General Motors, in announcing the 1964 models said they would appear in dealers' show-rooms on Thursday, October 3.

11 MODELS NOW
The 11 models, one less than last year, are realigned into three series: three models are in the Sixty - Two series; four models, including the convertible, are in the de Ville series; and four mod-

els in the Fleetwood series. The short - deck sedan is discontinued.

Overall length is increased one-half inch to 223.5 inches on nine models and 243.8 inches on the Seventy - Five Sedan and Limousine. Other exterior and interior dimensions remain unchanged.

One high performance V - 8 engine is standard in all models. Displacement is 429 cubic inches, a boost of ten per cent and horsepower is up from 325 to 340.

Two automatic transmissions are offered in 1964 - the Turbo Hydra-Matic and the new Turbo Hydra-Matic.

The Turbo Hydra-Matic is modified to adapt to the high performance engine and is offered in the Sixty - Two series and the Seventy - Five Sedan and Limousine.

The Turbo Hydra-Matic, introduced this year in the de Ville series, the Sixty Special Sedan and the Eldorado Convertible, is a Turbo Hydra-Matic transmission in which a torque converter replaces one of the geared ratios.

NEW CONTROL
An industry first in the areas of comfort and convenience is Cadillac's new Comfort Control, a completely automatic heating and air conditioning system. The driver merely sets a dial thermostat on the instrument panel and Comfort Control does the rest, supplying cooled or warmed conditioned air at the temperature specified.

Front and rear styling changes reflect the appearance of greater size and breadth while the low profile, long and unbroken, is accentuated by lowered Cadillac tail fins.

A choice of 16 colors is available. And five glamour colors in the new high luster firemist paint are offered at no extra cost on the Eldorado Convertible, and as an extra - cost option on other models.

Inside the 1964 Cadillac 124 combinations of interiors are offered including a new perforated leather available at no extra cost in the Coupe de Ville, four - window Sedan de Ville and Sixty Special Sedan.

MORE TEMPTING THAN EVER!

The 1964 Cadillac is more tempting than ever to look at! It has a clean, low sweep to its lines ... greater refinement in all of its body contours ... and a dramatically new, divided grille.

It's more tempting than ever to ride in! There's greater smoothness and quietness. The interiors are luxurious as never before. And an exclusive new Comfort Control* enables you to pre-set interior temperature while automatically controlling humidity.

And Cadillac for 1964 is more tempting than ever to drive! It has a new high-performance engine—the most powerful in Cadillac history. Cadillac's Hydra-Matic Drive has been

remarkably improved in smoothness and responsiveness—and a new version, the Turbo Hydra-Matic, is standard equipment on some models. Both assure a truly amazing agility in traffic and a new over-all standard of automotive performance on the highway.

The final temptation? That's the extraordinary value that's built into each of the eleven new Cadillac models.

Be among the first to visit your authorized Cadillac dealer and

...just wait till you drive it!

*An extra-cost option combining heating and air conditioning.

Take Your Problems To Church This Week

A GUIDE FOR NEWLYWEDS

There are some couples who never enter a church after their wedding unless death overtakes a member of their family or calls a relative or friend. Yet they would never think of having either of these events held any place but in a church. True, the church does render invaluable service at weddings and funerals but its service covers a far wider field. A young couple embarking on a marriage career will make no mistake in finding a church to their liking, one that fits their needs, and attending with consistency. It will help them in starting their home and in establishing it. It will aid when children come. In times of sorrow and trial it will serve as a comfort, a refuge. In truth, a married life without the church has a missing part.

Sell Your Farm

WHY DON'T YOU... CONSIDER SELLING?...
"It has been estimated that with current margin,
an AVERAGE farmer must sell \$10,000 worth of
products to NET an annual MONEY income of—
\$2,500."
Well... you might sell now, and reap a handsome
PROFIT from your land.

Ed A. Bigbee
"Native Cameronite"

Houston 19, Texas MI 5-3311

Card Of Thanks

We wish to express our deep-
est appreciation for the sincere
and loving expressions of sym-
pathy during the recent illness and
loss of our dear one. Especially
do we thank Dr. E. O. Smith,
the Sisters and Nurses of St. Ed-
ward hospital. We also acknowl-
edge the cards, the flowers and
food received. May God bless

each and every one who in any
way helped at this time.
Mrs. Fritz Glaser and family

CARD OF THANKS

We wish to express our sin-
cere appreciation for the many
kindnesses extended during our
recent sorrow. We especially want
to thank all those who remem-
bered us with messages of con-
dolence, flowers and food.
The Family of C. B. Ford

CARD OF THANKS

I wish to express to all my
friends my sincere appreciation
for their kind thoughtfulness dur-
ing my recent illness. The cards,
letters, visits and flowers that
brightened my hospital stay will
be long remembered. I am also
deeply grateful to Dr. E. O. Smith,
my nurses and the staff of
St. Edwards Hospital for their
excellent care.
Miss Ethel McKinney

DEALER
FAIR**

SALE

NOW \$195.50
plus tax
you'll save \$34.50

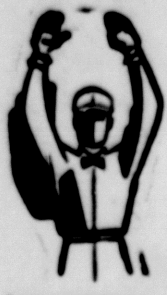

What a price! — the lowest possible on this feature-
packed, top quality Gold Star Award gas range. Caloric's
new Compacto is a full 35 inches wide and offers more
cooking conveniences for the money than other com-
parably priced ranges... including new automatic Cook
'n' Keep Oven. Cooks perfectly, then turns itself down to
serving temperature and holds foods hot for hours without
overcooking or drying out. Burner-with-a-Brain makes all
your pans automatic. Removable oven and broiler doors
simplify cleaning. Spacious storage compartment, hand-
some clock and control center and easy-to-clean porcelain
finish are pluses. Available in pink, yellow, turquoise,
coppertone or black at slight additional cost.
